Evidence Review Process

Student Tutorial: Evidence Review Process

This tutorial provides students an overview of what happens during the evidence review process.

1. Go to startalkfo.uoregon.edu. Log in by clicking “Log In” near the top right corner of the screen.

2. Next, you will see the screen below. After entering your username and password, click “Log In.”

3. You will see the dashboard immediately after signing in. If your instructor has left any feedback for you on the evidence you created, you will see a notification in the top right of the screen.

4. Click the bell icon to see your notifications. Then, click the text that goes along with the notification that you wish to review.

5. After clicking the text, you may review your instructor's feedback. His or her comments and recommended changes are listed below your self-evaluation. Please note that if you select multiple Can-Do Statements for one piece of evidence, only one comment will appear. Once you have read everything over, click "Agree" or "Reconsider."

Listening test

I listened to a McDonlad's commercial yesterday and was able to understand that the McRib is only back for a few weeks and that it costs \$3.99 a sandwich.

This evidence shows:

●●●○ I can recognize when I hear a date.

skinstructor: None of your evidence seems to prove that you are able to hear dates though it does show you are able to identify some specific information. Perhaps you should consider a new Can-Do Statement for this evidence.

Recommended changes:

●○●○ I can recognize when I hear a date.

 Agree
 Reconsider

 Reflect

6. If you click "Agree," your Can-Do status will update automatically to match the instructor recommendation. If you click "Reconsider," you must justify why you think your instructor should reconsider his or her feedback. When you are finished, click "Submit."

skinstructor said: *It doesn't seem that you actually heard any dates in the commercial.*

I can recognize when I hear a date.

*Suggests to change status from **Can do** to **Can do with help***

I disagree with this because...

Sorry! The commercial listed that the sandwich would be available from March 1 to March 22. I should have mentioned that before.

Submit

7. Your instructor will receive a notification when you ask him or her to reconsider his or her evaluation(s). At that point, your instructor will have the opportunity to review your justification. You will then repeat steps 3-6. If you agree with the teacher's recommended change, your Can-Do status will update. If you do not, it will stay the same.

Congratulations! You can successfully review student evidence!
