Student Tutorial: Uploading Evidence for iOS

This tutorial is for students using iOS devices. It features the basic method of uploading evidence with the Pulsar app. If you would like to learn about the advanced upload method, please email our team at pulsar@uoregon.edu.

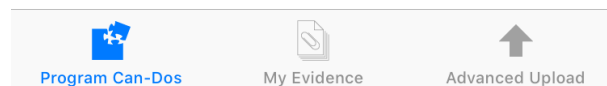

1. Open the StarTalk Pulsar App and log in. Please note that you must create your account on the web before using the app.

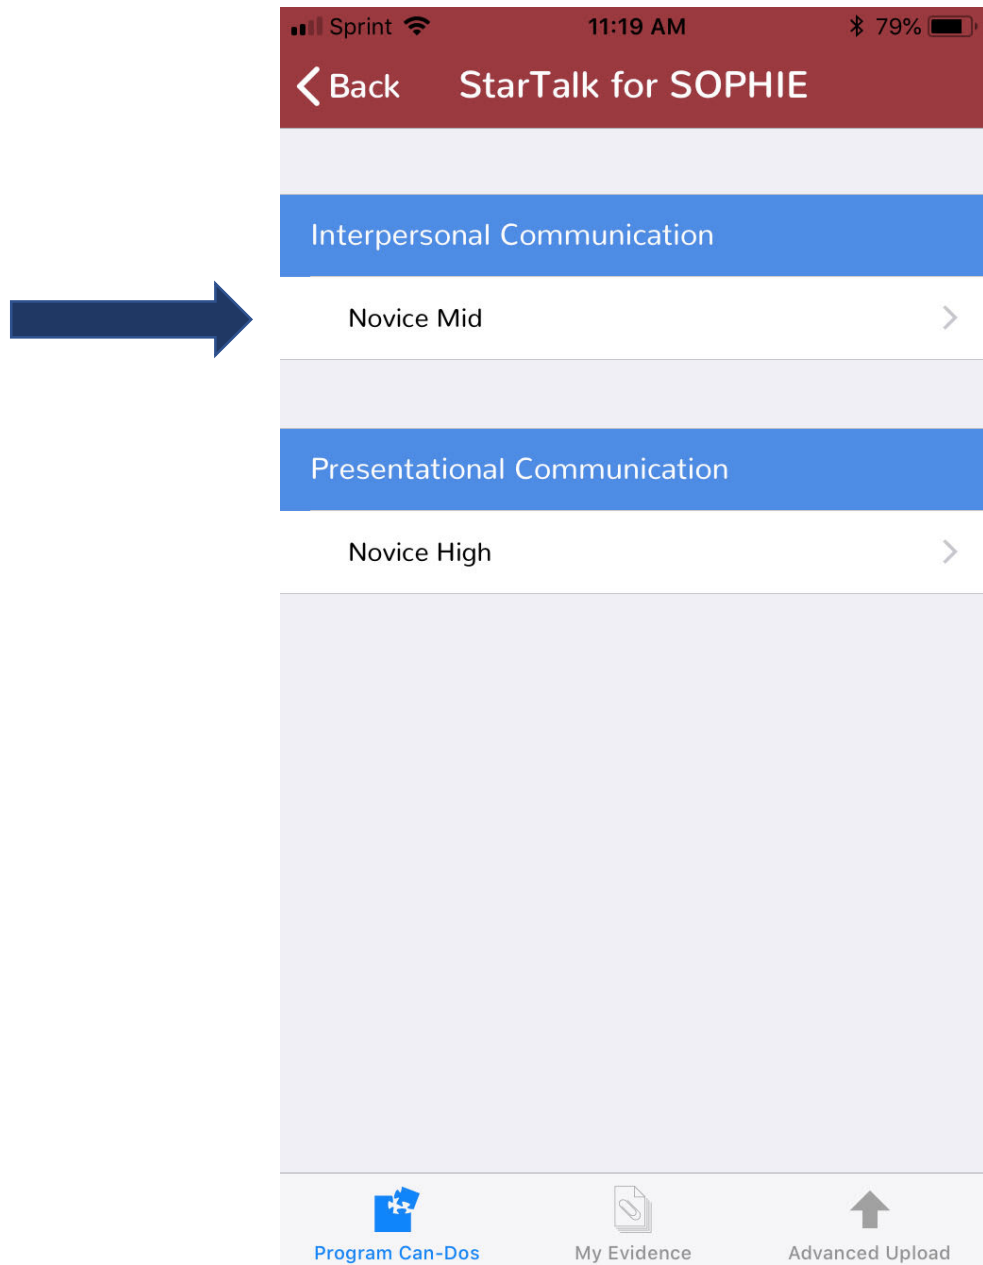

2. Tap the Can-Do Cluster in the middle of the screen.

3. Select your mode and level.

- Next, select a proficiency benchmark (the blue boxes). Tap the “+” to the left of the benchmark and select the specific Can-Do Statement you want to upload evidence for.

5. Update the status of your Can-Do Statement by dragging the slider to your level of achievement.

Once you have adjusted the status, tap “Save.” Then, tap the white bar under “Evidence.”

The screenshot shows the 'CAN-DO' app interface. At the top, there's a red header with a back arrow, the text 'Back', and a question mark icon. Below the header, the text 'CAN-DO' is displayed next to a blue button labeled 'STARTALK for SOPHIE'. The main content area shows the statement 'I can ask and talk about family members and their characteristics.' Below this, there are three sections: 'LANGUAGE' with 'Arabic' selected (indicated by a blue checkmark), 'STATUS' with a green slider bar, and 'EVIDENCE' with a white bar. The slider bar has four tick marks, with the first labeled 'Not started' and the last labeled 'Can do well'. A dark blue arrow points to the 'Can do well' label on the slider. Below the slider, there's a red button labeled 'Save'. A dark blue arrow points to the 'Save' button. Below the 'Save' button, there's a white bar labeled 'EVIDENCE' with the text 'You currently have 0 samples of evidence' and a right arrow. A dark blue arrow points to this white bar. At the bottom, there's a navigation bar with three icons: 'Program Can-Dos', 'My Evidence', and 'Advanced Upload'.

6. For iPads, tap the “+” in the top right corner and select the type of evidence you want to upload.

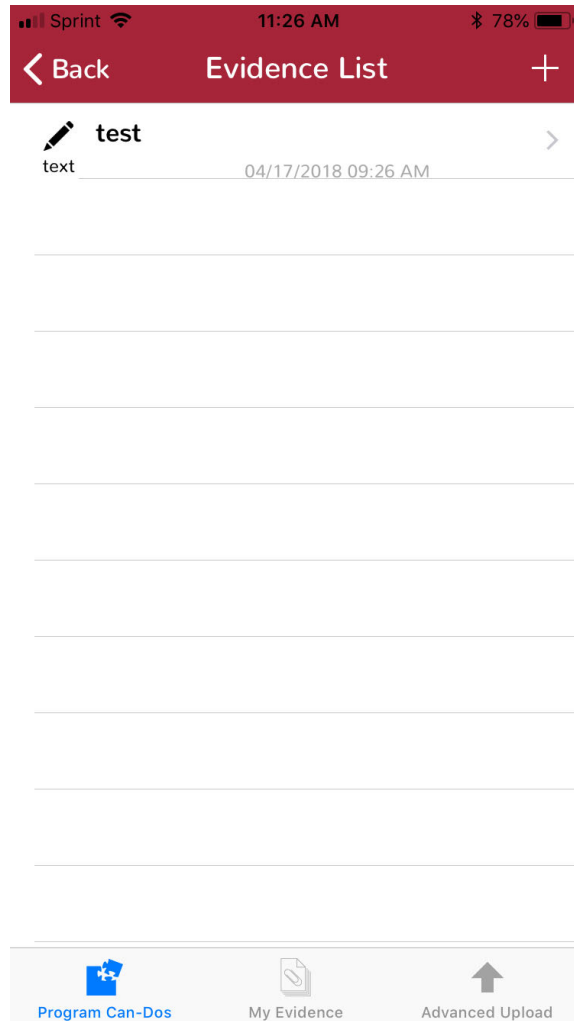

For iPhones, select “Evidence List,” which will take you to the following page:

7. Enter your evidence by following the instructions. Below is an example of a writing sample upload. When you have finished uploading or entering your evidence, tap “Submit.”

The screenshot shows a mobile application interface. At the top, a status bar displays 'Sprint', signal strength, Wi-Fi, time '11:24 AM', and battery '78%'. Below this is a red header bar with a white back arrow and the text 'Writing Sample'. Under the header is a white input field containing the text 'test'. Below the input field is a large white rectangular area with a red border, containing the text 'Test'. At the bottom of this area is a red button with the text 'Submit'. A large blue arrow points from the right towards the 'Submit' button. At the very bottom is a navigation bar with three items: 'Program Can-Dos' with a blue icon, 'My Evidence' with a document icon, and 'Advanced Upload' with an upward arrow icon.

8. Once you have submitted, your new evidence will appear in your “Evidence List.”

Congratulations! You have just uploaded evidence with the Pulsar mobile app!
