If you forgot your password you can [reset it](#).

3. You will see the dashboard immediately after signing in. If your instructor has left any feedback for you on the evidence you created, you will see a notification in the top right of the screen.

4. Click the bell icon to see your notifications. Then, click the text that goes along with the notification that you wish to review.

5. After clicking the text, you may review your instructor's feedback. His or her comments and recommended changes are listed below your self-evaluation. Please note that if you select multiple Can-Do Statements for one piece of evidence, only one comment will appear. Once you have read everything over, click "Agree" or "Reconsider."

I can do it well!

Look at me, doing it well!

This evidence shows:

I can understand an interview with a famous person, such as a rock star, politician, or actor.

teaching01:

I'm not sure you can fully understand an interview with a famous person in your target language.

Suggests to change status from **Can do well** to **This is a goal**

I disagree with this because...

Oh I'm sorry, I misunderstood.

I heard an old interview with a popular Bossa Nova musician about her upcoming concert tour. She is very famous, and tours all over the world.

Submit

7. Your instructor will receive a notification when you ask him or her to reconsider his or her evaluation(s). At that point, your instructor will have the opportunity to review your justification. You will then repeat steps 3-6. If you agree with the teacher's recommended change, your Can-Do status will update. If you do not, it will stay the same.

Congratulations! You can successfully review student evidence!
