Implementation Plan Template

Step 1: Identifying Resources

Tool for uploading   _____

Duration of program   _____

Number of times learners will upload   _____

and reflect

Step 2: Planning Reflection Time

1. When (days/dates) will you have students upload and reflect on evidence in your program? Use what your program has submitted as part of Stage 2 and Stage 3 to guide your planning.

Program Can-Do Statement	Day/Date	Reflection/Goal Setting Activity	Approach to Upload (e.g., Lab, Group Work, Mobile)

2. What resources in addition to tech (teacher or tech aides, journals, shared drive documents) will you need to facilitate reflection?
