## Student Tutorial: Viewing an Assignment

This tutorial provides students an overview of what happens during the evidence review process.

1. After logging in to linguafolio, select the button on the left, or scroll down until you see the “Assignments” section.

The screenshot shows the LinguaFolio Online interface. At the top, there is a green header with the LinguaFolio Online logo and a notification bell. Below the header is a dark grey bar with a '+ Upload Evidence' button and five circular icons representing different evidence types: a document, a document with a microphone, a microphone, a document, and a link. The main content area is titled 'My Proficiency Overview' for 'Spanish'. It features a large, colorful, semi-circular proficiency chart with segments for 'INTERCULTURAL' and 'INTERPERSONAL'. To the right of the chart is a 'Chart Key' section with a legend for various communication modes and skills. On the left side, there is a vertical sidebar with several icons, and a yellow arrow points to the 'Assignments' icon.

2. Next, if your Instructor has published any assignments, they should appear as shown below.

The screenshot shows the LinguaFolio Online interface with the 'Assignments' section. The top header is green with the LinguaFolio Online logo and a notification bell. Below the header is a grey bar with the 'Assignments' title and a sidebar icon. The main content area displays several assignment cards. The first card is 'Tutorial Preview' with a progress bar at 0/2, assigned on 06/24/19, and due on 06/30/19. The second card is 'Welcome to LFO' with a progress bar at 0/0, assigned on 06/26/19, and due on 09/13/19. Below these are 'Can-Do Clusters' for Spanish, including 'cluster 2.0' (3/23) and 'Test 2.0 Cluster' (3/3). At the bottom, there are two more cards: 'La Vida Saludable' and 'Familias'. A yellow arrow points to the 'Welcome to LFO' assignment card.

3. Selecting an assignment will bring you to the next screen which let's you declare how familiar you are with the assignment, and provide evidence to support that claim.
