

Learner Guide to Observation and Analysis

[LFO Module – Autonomous Learning]

In this guide, you will participate in observation of someone completing one of your goals and a short analysis of what you witnessed.

Observation Guide

My goal is _____.

Choose an appropriately similar task to observe. Be sure it is representative of your goal in some manner with applicable language. _____

Take bulleted notes on what you observed here:

Draw or upload an image of what you observed here:

Analysis Guide

After completing your observation, answer the following questions:

1. What was the tone of the interaction? Formal / Informal / Neutral
2. How do you know? Mention any clues you saw!
3. What was different about what you saw from other displays of language you've seen in the past? Any special greetings, vocabulary, send-offs, transitions, etc?
4. Below, please describe what you learned from your observation. Will it change how you communicate? Why?
